Payments: You may pay all or part of your Account balance, at any time. However, you must pay at least the Minimum Payment Due by the Payment Due Date each Billing Period. We cannot accept wire transfers or payments that are electronically transmitted directly to us using our bank routing number. If you are enrolled in automatic payments, we reserve the right to cancel enrollment without prior notice. Please do not send post-dated checks as they will be deposited upon receipt. Late payments, partial payments or payments marked "payment in full" or with any other restrictive endorsement can be accepted by us without losing any of our rights under your Cardmember Agreement. We may re-present to your financial institution any payment that is returned unpaid. We may delay increasing your available credit by the amount of any payment that we receive for up to 10 Business Days. Business Day means Monday through Friday, excluding federal holidays.

When Your Mailed Payment Will be Credited.

If we receive your mailed payment in proper form at the proper address by 5 p.m. Eastern Time, it will

be credited as of that day. A payment received there in proper form after that time will be credited as of the next day. If the payment due date falls on a day when we do not receive or accept payments, the payment will not be treated as late if it is credited the next day. Allow at least 7 days for payments by regular mail to reach us. There may be a delay of up to 5 days in crediting a payment we receive that is not in proper form or not sent to the correct address. The correct address for regular mail is the 'Payment to' address on the front of the payment remittance slip. The correct address for express mail is Lockbox Services, Box #70168, 400 White Clay Center Dr, Newark, DE 19711.

Proper Form: For a payment sent by regular or express mail, proper form is a single check or money order, in U.S. dollars, drawn on a U.S. institution, with a single payment remittance slip from your billing statement. Include your name and the last four digits of your Account number. Unless sent by express mail, please use the envelope we provided. No cash or foreign currency. No staples or paper clips. No extra pieces of paper. **Payment online, by**

phone or mobile: Payments made through our website, www.mercurycards.com, through the phone number shown on the front of your statement or through our mobile app and completed by midnight Eastern Time, will be credited as of that day. Otherwise, it will be credited on the next day.

Electronic Check Conversion: When you provide a check as payment on this Account, you authorize us to use information from your check to make a one-time electronic fund transfer from your bank account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your bank account on the same day we receive your payment, and you will not receive your check back from your financial institution.

How to Avoid Paying Interest on Purchases:

You will not be charged interest on Purchases if you pay the New Balance in full by the Payment Due Date each month (interest free period, also called Grace Period). If you don't pay your New Balance in full by the Payment Due Date in a Billing Period, you'll pay interest on existing Purchases, and new Purchases in that billing period, from the date they post to your Account, subject to applicable law. You can regain the benefit of the interest-free period by paying your New Balance by the Payment Due Date. After you enter an interest-free period again, interest charges on Purchases may still appear on your next billing statement. This reflects interest charged from the beginning of that billing cycle through the date that your payment for the prior billing statement was received. Balance Transfers, Checks and Cash Advances do not have an interest-free period and if these balances are not paid in full by paying your New Balance by the due date, you will lose your interest-free period on new Purchases.

How We Calculate Interest: We calculate interest separately for each different balance. Your billing statement shows each balance in the "Balance Subject to Interest Rate." We use the "Daily Balance Method (including Current Transactions)." For each balance, to determine a daily balance, we start with the beginning balance each day. The beginning balance for the first day of the Billing Period is the balance at the end of the prior Billing Period. Each day, we add any new transactions and fees; subtract any payments or credits applied to that balance; and make other adjustments. We add Balance Transfer fees to the applicable Balance Transfer balance. We add Cash Advance Fees to the applicable Cash Advance balance. We generally add other fees to the standard Purchase balance. We add any interest calculated on the previous day's balance. (This means interest is compounded daily). A credit balance is treated as a balance of zero. This gives us the daily balance. We multiply each daily balance by the applicable daily periodic rate. We do this for each day in the billing period. The Balance Subject to Interest Rate is the average of the daily balances.

Change of Address: If the information on the front of this statement is incorrect, please provide updated information: Please call us for any address change requests outside of the United States, including the US territories.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at Card Services - Dispute Resolution, PO Box 84064, Columbus, GA 31908-4064.

In your letter, give us the following information:

- *Account information:* Your name and Account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the Purchase.

To use this right, all of the following must be true:

1. The Purchase must have been made in your home state or within 100 miles of your current mailing address, and the Purchase price must have been more than \$50. (*Note:* Neither of these is necessary if your Purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the Purchase. Purchases made with Cash Advances from an ATM or with a Check that accesses your credit card Account do not qualify.
- You must not yet have fully paid for the Purchase.

3

If all of the criteria above are met and you are still dissatisfied with the Purchase, contact us *in writing* at Card Services - Dispute Resolution, PO Box 84064, Columbus, GA 31908-4064.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.
